2008 Equipment Requests

Good Afternoon: In preparation for receipt of our Homeland Security Grant(yes-we should see some funds start to flow in about 4-6 weeks), I need to have your equipment requests. I have attached a spreadsheet with categories already defined, along with an "Other" category.

If you have already sent me this information, I would appreciate it if you would use the attached spreadsheet and resubmit your request.

Please send the file back to me and label it "**(Insert county name)CART 2008 Equipment Request.**"

The deadline for submission is June 13, 2008.

Finally, do not include rolling stock (utility trailers, stock trailers, corrals) in your request. We will be dealing with that separately. A separate email will go out to only those counties who will receive trailers from this round of funding. It is likely that rolling stock will be ordered in phases due to the cost and the grant/invoice/replenishment of our cash advance process.

If you have any questions, please let me know. Thanks, Joel

Joel H. Hersh
